THE MOST SUCCESSFUL EVENT IS  
THE ONE THAT ACHIEVES YOUR  
GOALS AND EXCEEDS YOUR  
EXPECTATIONS

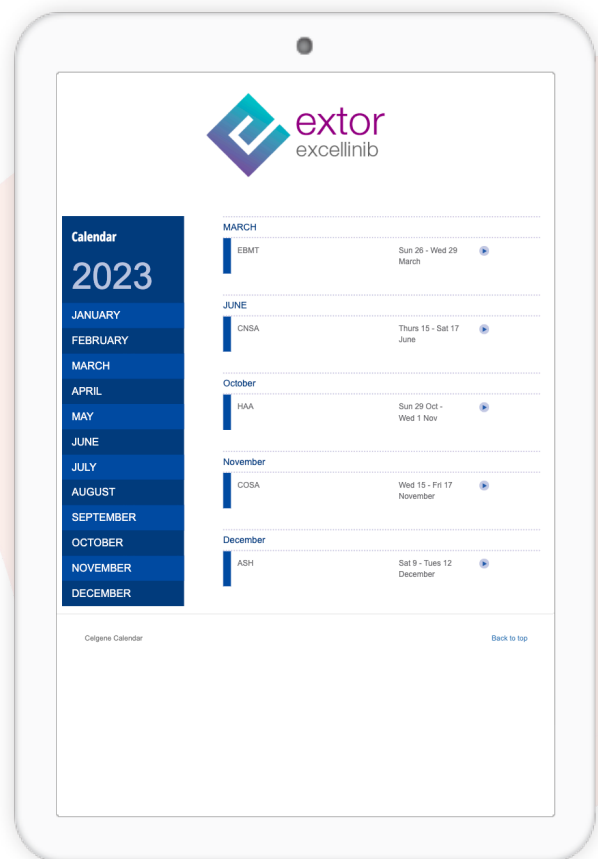

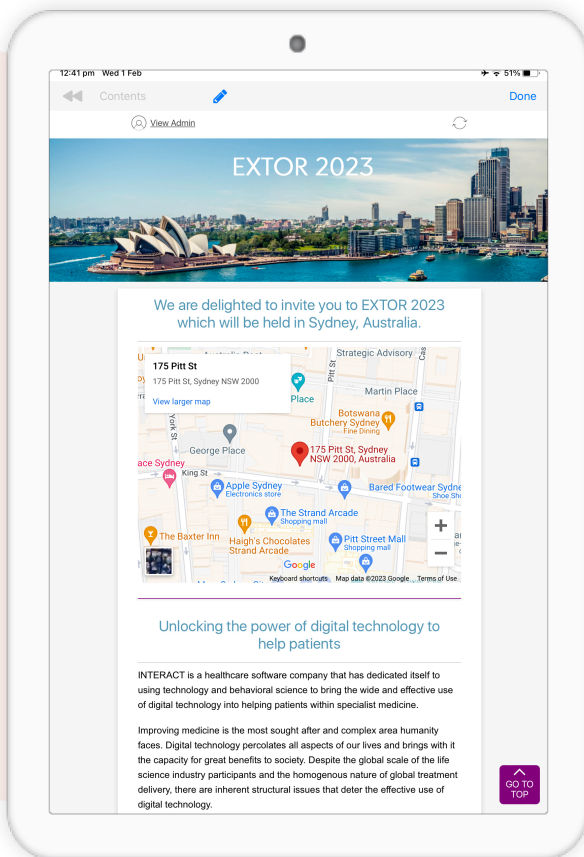

## Save the Date

Informs delegates of an upcoming event, which can be added as a calendar entry on their device to ensure the event remains top of mind.

## Events Calendar

An ordered list of events where delegates can view details and navigate to event website for more information. Includes ability to add event to the calendar on their device.

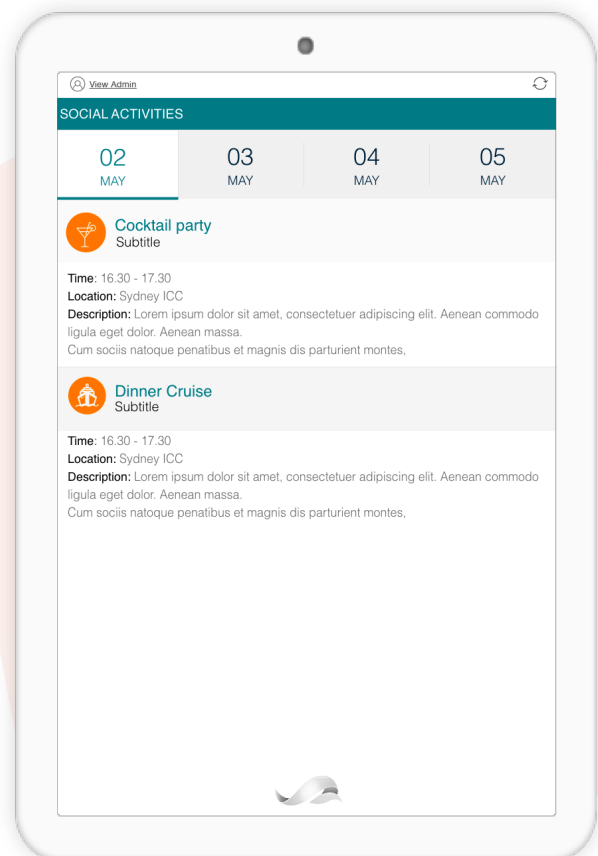

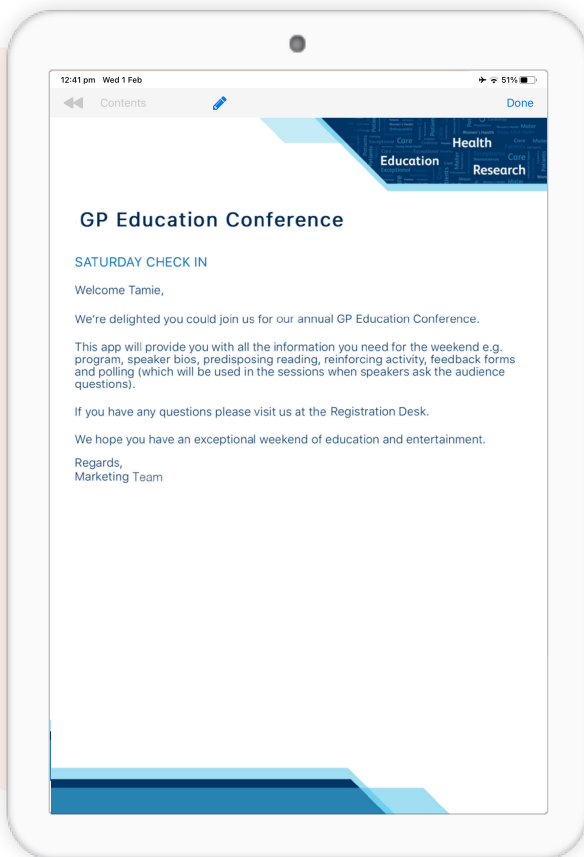

## Welcome

A digital event brochure that contains general and logistical information such as venue, travel and parking information, Wi-Fi log in details, nearby restaurants and attractions.

## Social Program

A variation of the welcome brochure dedicated to the social activities surrounding an event e.g. location, dress code as well an RSVP feature.

## Check In

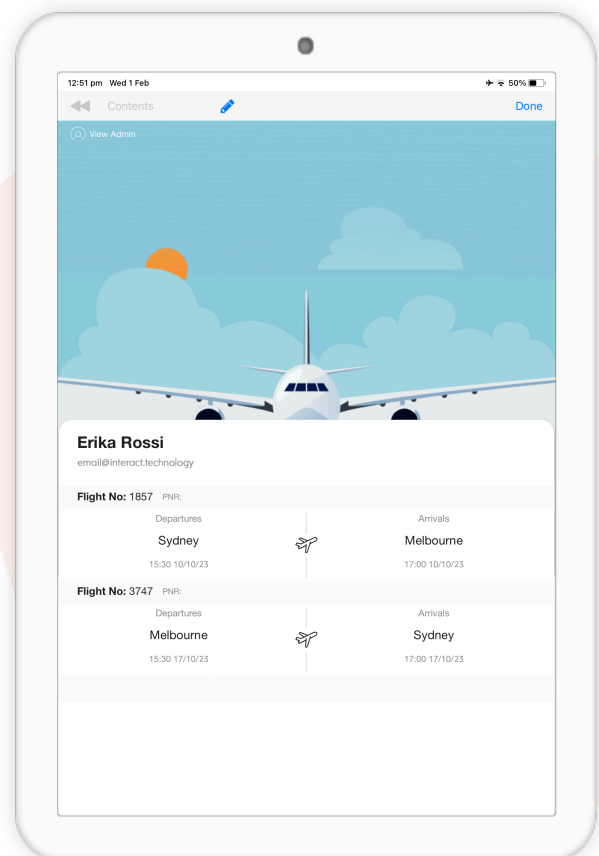

Scan a QR code at event registration or individual sessions to digitally record attendance.

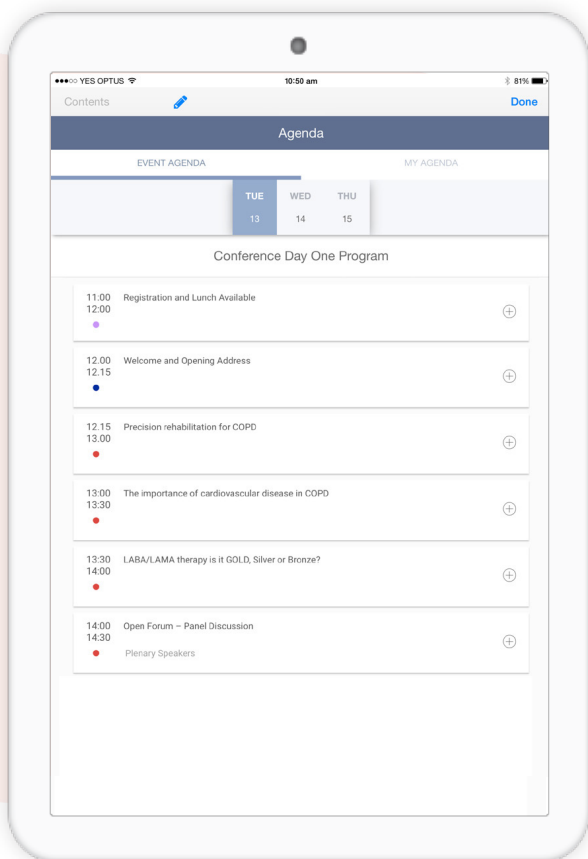

Allows the event organiser to track attendance for attendance certificate or CPD points.

## Travel Itinerary

Displays travel itineraries and other essential information personalised to each delegate.

A CSV is uploaded and populates based on delegates unique myINTERACT log-in.

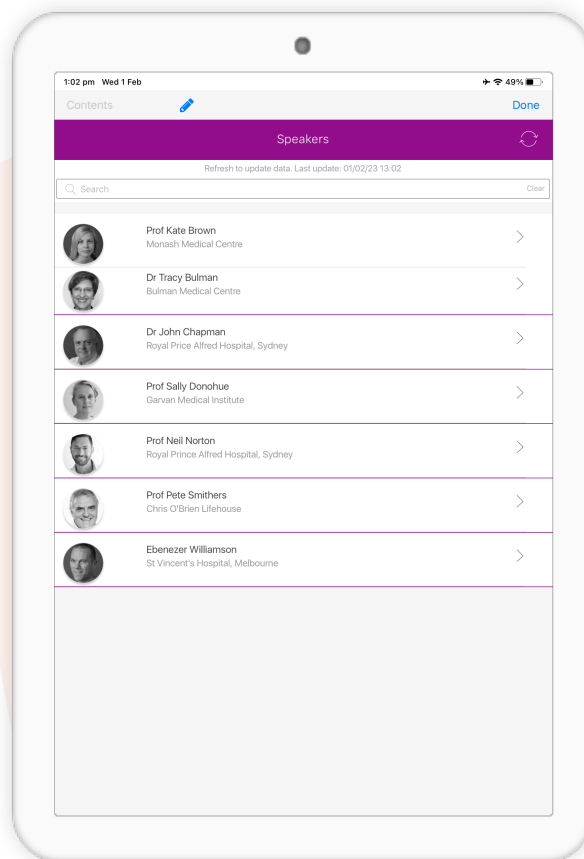

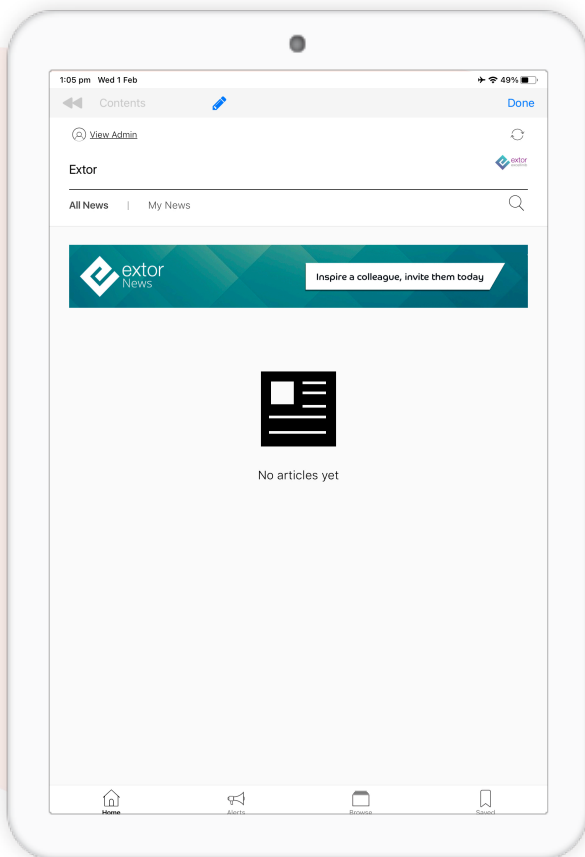

## Program/Agenda

Containing essential event information: session and room details, speaker bios, with the ability to add notes, link to online Q&A and/or abstracts and create a personalised schedule. Flexibility to be used for single or multiple stream events.

## Speaker Bio

Searchable list of speakers with detailed bio's and head shots. Searchable by name or other predefined categories.

## News Feed

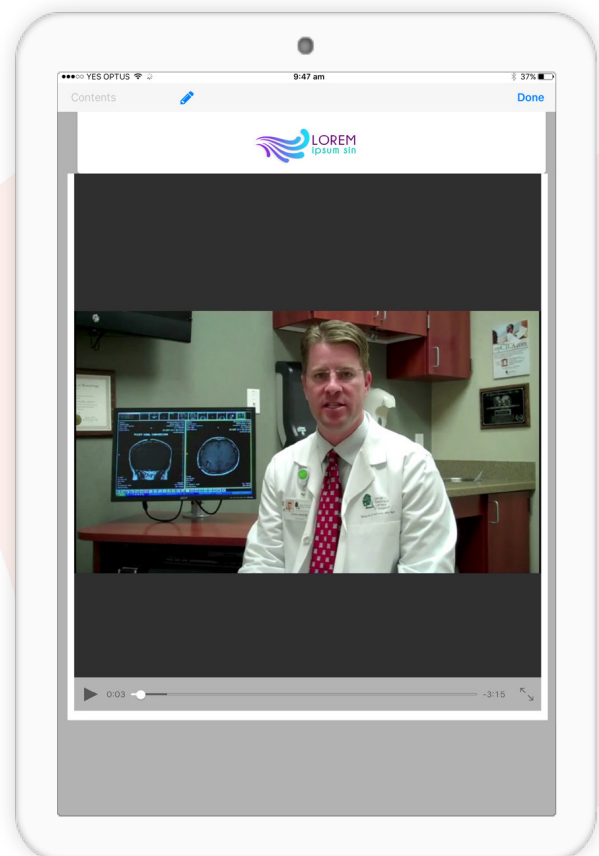

Maintain delegate engagement during the event life-cycle by creating a news feed of relevant articles.

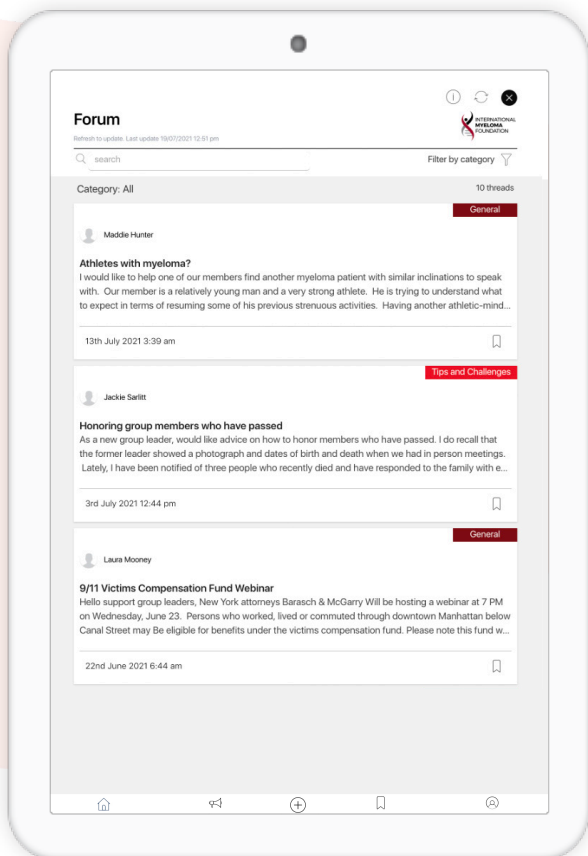

An administrator login is available to organisers to create and post articles.

## Live Webcast

Creates a private channel through myINTERACT where delegates can log in to watch the live stream of a session through the app.

Price does not include AV services. Refer to your preferred supplier or ask INTERACT for a recommendation.

## Forum

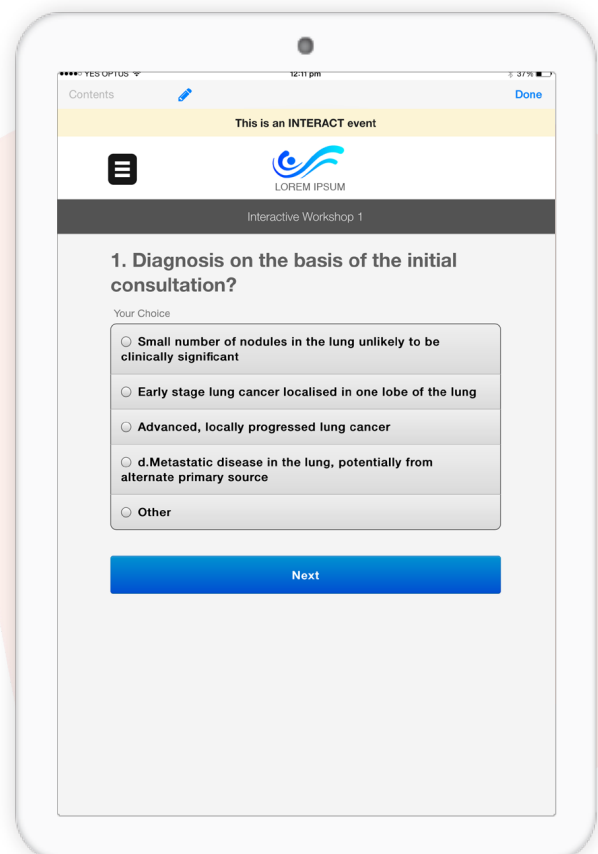

An online event ‘chat room’ where delegates can ask questions, post comments or respond to topics raised by their colleagues.

Includes a moderator password so inappropriate threads can be managed.

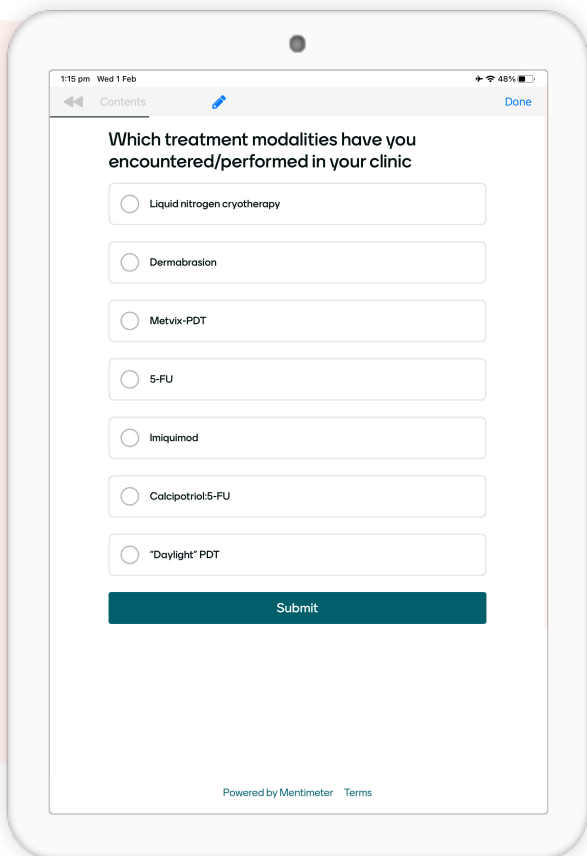

## Online Q&A

Facilitate Q&A sessions more efficiently by allowing delegates to submit questions using their device.

As delegates submit questions they appear on the screen. They can also vote on questions (submitted by their colleagues). The page automatically reorders so most popular questions appears first. Includes a moderator log in so inappropriate questions can be deleted.

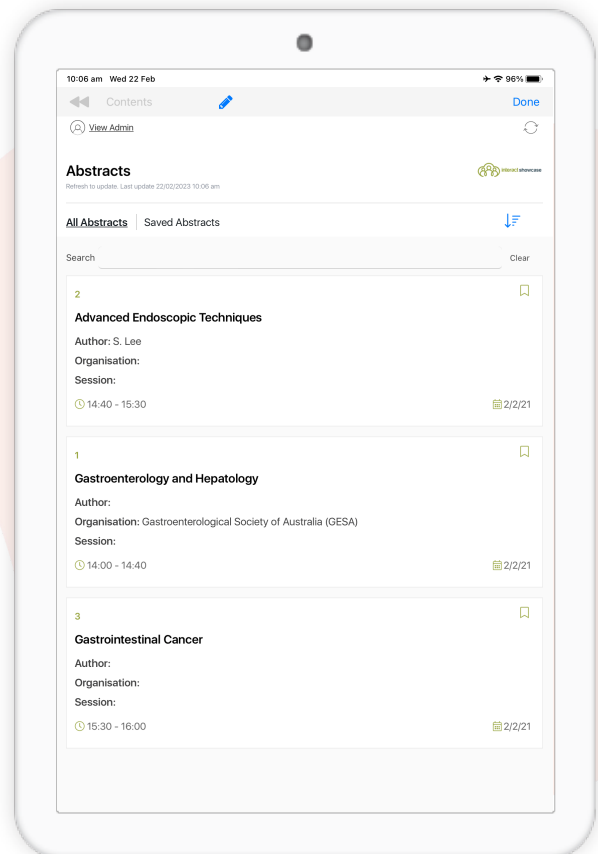

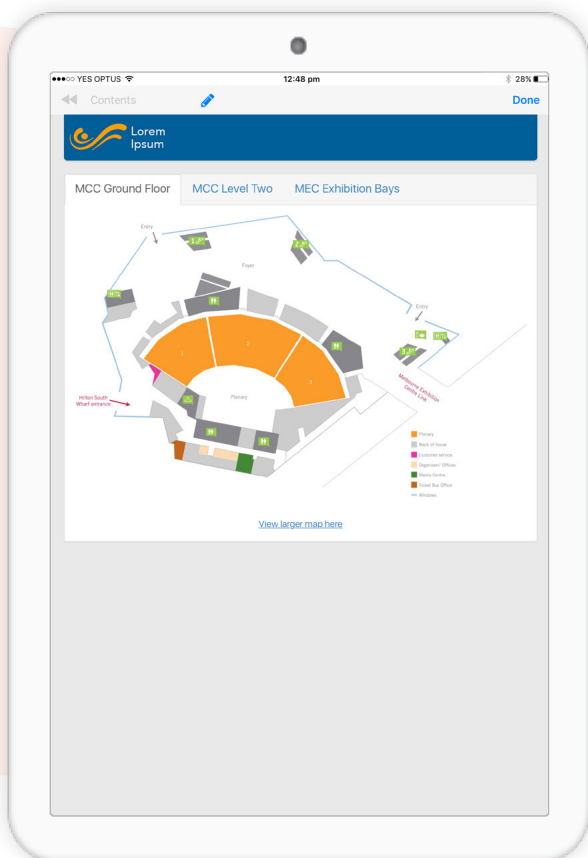

## Polling

Delegates use their device as a keypad to submit responses when prompted by speaker. Live votes are recorded and displayed on the speaker's screen. Additional AV services and equipment may be required.

## Posters/ Abstracts

Searchable library of posters and/or abstracts that open as a PDF file which can be shared by email. Specific posters/abstracts can be bookmarked and a list of favourites created for quick access. All PDF files are save in the cloud to minimise device memory utilised.

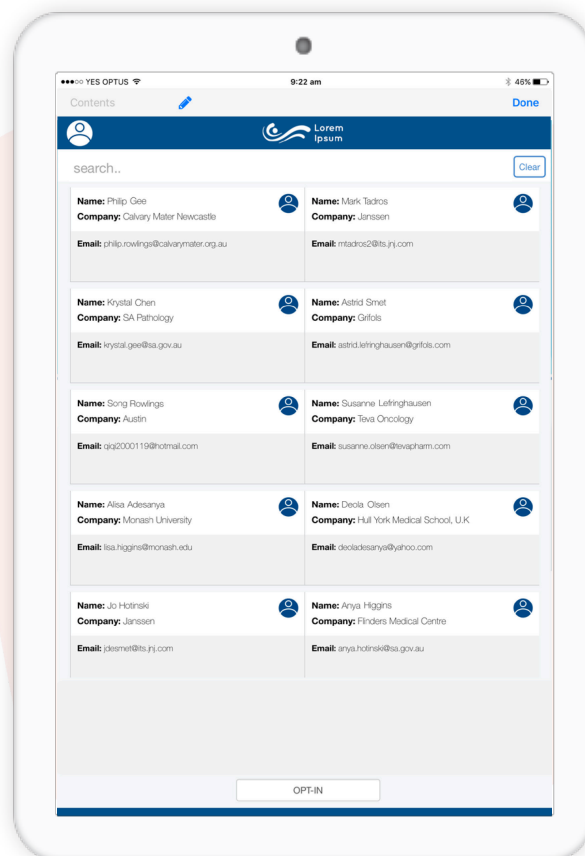

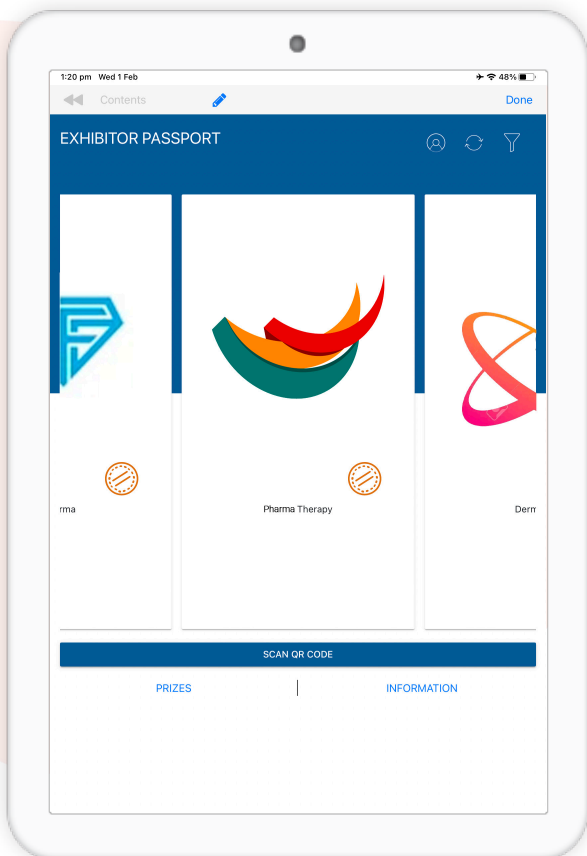

## Exhibitor Map

2D venue map that can be interactive with links to multiple floors.

## Delegate List

Containing essential event information: session and room details, speaker bios, with the ability to add notes, link to online Q&A and/or abstracts and create a personalised schedule. Flexibility to be used for single or multiple stream events.

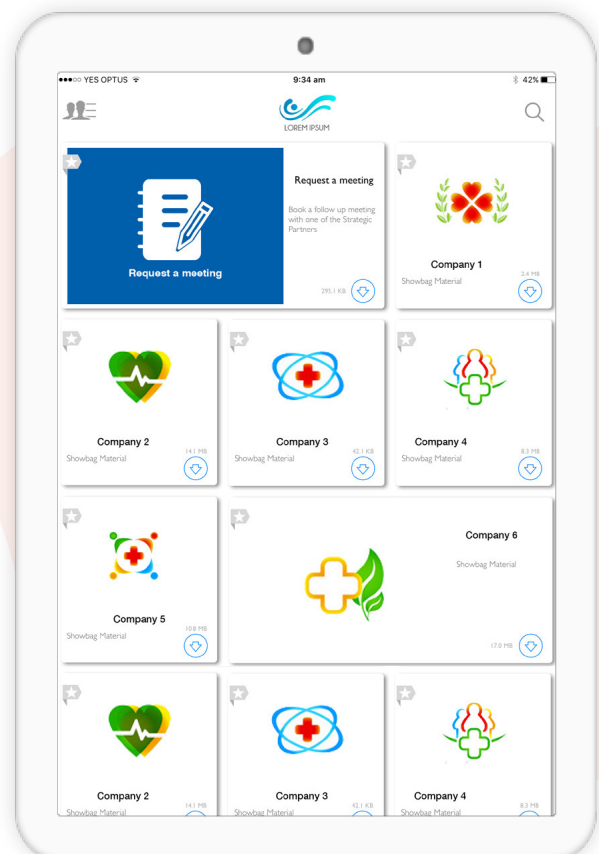

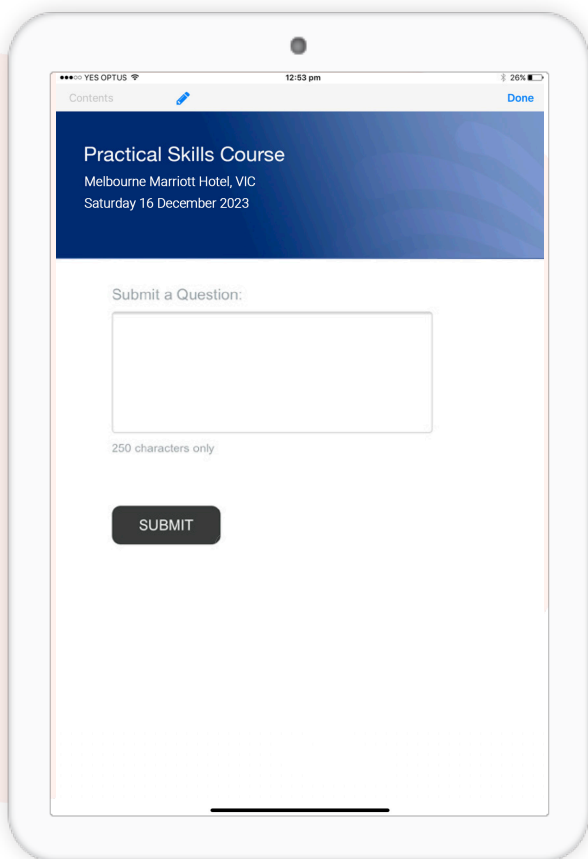

## Exhibitor Passport

Gamification that creates engagement between delegates and exhibitors. Delegates scan a QR code from each exhibitor which stamps a digital passport and creates a leaderboard which can be used to award prizes.

## Sponsor Show Bag

Provides sponsors and exhibitors with an opportunity to reduce their carbon footprint by sharing content digitally in a way that is convenient to delegates. Content can include PDFs, videos and URL links.

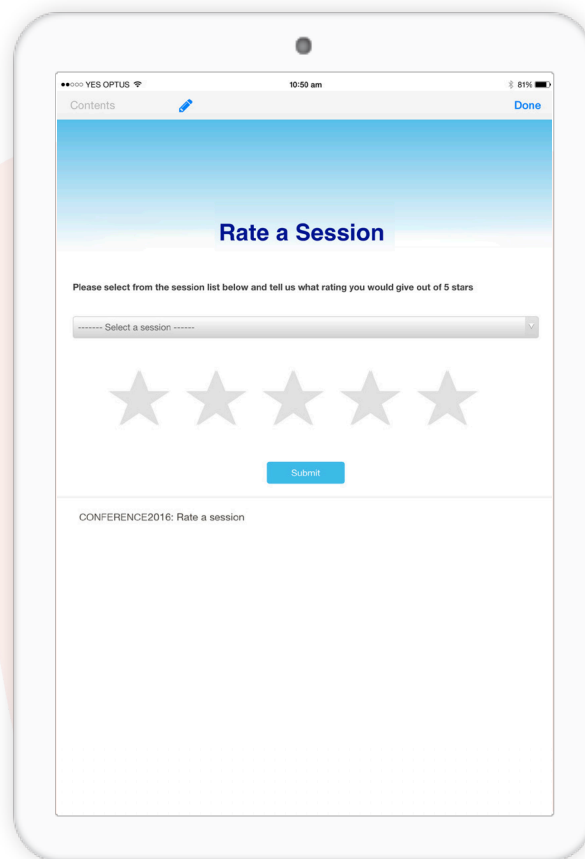

## Submit A Question

Provides a mechanism for delegates to ask questions directly to event organisers leading up to and during an event (250 character limit).

## Rate A Session

Delegates submit immediate feedback at the conclusion of each session by assigning each session with a rating out of 5-stars and add any additional comments in a free text field.
